Frankie had the qualifications Susan was looking for!
HE SCREWED HIS WAY INTO MY HEART!

I met Frankie when he had just completed a big business deal. He was celebrating with a friend in a bar in his hotel, and I was there with a girlfriend to hang out. This was a place to meet guys who were going up in life; Frankie qualified.

Me, I'm looking to get under a guy who's going up in life. I have no illusions about myself; other than my good looks, I don't have much else going for me. So for a few years, I have to use my only qualifications to get settled with a glossy guy who can take care of me in a big way.

Frankie and I made it in his hotel suite that same afternoon. Some dudes who score a business success fizzle in the bedroom, but Frankie was tops there too. I liked the way he took charge of my body, stuffing my mouth with his big dick almost right away. I held its hot thickness in my hand while I slurped my tongue over it.

I loved doing my cowgirl thing on his meat. In the middle of it all I realized that this was probably the best encounter I'd ever had! I mean, it compared with the sex I'd had with guys who didn't have a pot to piss in, guys who know they're not going to get higher in life than being a great fuck and so they concentrate on that. Well, Frankie had both the work and fuck bases covered.

Was it great to be on my knees for Frankie! Feeling him banging me from behind, squeezing my cheeks. The only odd thing about him was that he was so quiet. Fucked me with hardly a word. But I could get used to that. Me, I make a lot of noise. Frankie didn't seem to mind.

When Frankie was shooting his stuff on my boobs, that's when I made my decision. This was not going to be a one-afternoon stand. No, I'd have to see Frankie again! A guy who can fuck who also has money is somebody to hold onto!

AT OUR BECK AND CALL

You don't have a real perspective on women until you use one in a threesome. If you think the word "use" is a little harsh, well, that's what comes to my mind when I remember Lorene being turned this way and that by me and my friend Danny.

We'd met Lorene at an afternoon house party down in New York's arty East Village and gone up to the roof to smoke some weed on top of all the booze we'd been drinking. Suddenly we didn't feel like going back to the party and Lorene suggested that we go back to her place. Danny and I high-fived each other behind her back as she took us there, which was just across the street.

It was going to be the first threesome for both of us, something we'd talked about for years and imagined having when we found the right chick. Danny and I were best friends going all the way back to high school, and now we were trying to make it as writers in New York.

Lorene was a funny, unusual chick. Sure, we were all in a kind of whacky social circle, a mix of artists and actors and writers, and even a few professional clowns, but Lorene's style still stood out as something unique. She had a femme fatale way about her, and she liked to wear stockings and high heels even in the middle of the day to a casual weekend party. When we got to her place she gave us some more to drink and we hadn't even finished our first swallows of beer when she was down on her knees taking our cocks out of our pants and putting them in her mouth.

Sure, at first she was in charge, but after we blew two loads on her face and tits, she moved us into the bedroom where we took over. Danny and I looked at her, leaning back on the bed in her stockings and playing with her pussy while staring us in the eye, and there was something so slutty about her. Her thighs were long, and looked even longer because of the stay-up stockings, and she rubbed her bare pussy with one hand, playing with her nipples with the other.

Danny and I seemed to know exactly what to do next. Danny brought his cock over to her mouth and I got underneath her and put

mine in her pussy. We could see by the gleam in her eyes that she was thrilled we were now calling the shots. We moved her body around until we were nice and comfortable, and so that she was too because she had a lot of sucking and fucking to do.

I wouldn't say Lorene went limp in our arms, but she seemed to get kind of slack, and that turned me on because I kept moving her around on my cock while Danny used her face. Like I say, we had both talked about threesomes for awhile and this was the strangest part of it: how a woman in this day and age, when females are always saying they want to be empowered and shit, can just turn into a rag doll to be used as a cocksucking and dickfucking thing.

Lorene hardly made a peep, but just gave us what we desired. When we wanted to

switch places, she went along with it and gave us big smiles while she put my cock in her face again and stuffed Danny's into her box. Believe me, it didn't take long to cum a second time. And forget about condoms! Lorene was hungry for those good ole creampiees.

So here's my perspective on females. I guess there are some women who are supposed to change the world, be big shots that you read about in all the papers, and others who are meant to be at the beck and call of hard cocks. Lorene obviously enjoyed being that second type, and Danny and I went back to see her many times. We eventually fucked her in the ass, too.—Kyle, New York City

FORBIDDEN ENJOYMENTS

I'm getting worried about my pussy addiction. It makes me drink too much, thinking about it. I guess when you're in the lesbian closet for a real long time, once you finally start to go down on girls you don't want to stop. Ever since I first tasted some pussy about six months ago, it's become the focus of my life.

Here's how it all started. For the longest time, I thought I was straight. Then I was at a bachelorette party with close friends, going from place to place as we got drunker and drunker, and as a goof we stopped in at a female gay bar. Some of the lesbians were friendly and others were hostile. But one of them, an exotic looking girl with the name of Chrissy, slipped me her number. I put it away in my wallet and a few days later I called. Chrissy told me to meet her at the same bar, and well, a few drinks led to my first gay experience back at her place.

I know that everybody thinks all young women experiment these days, but that wasn't the case with me. I come from a conservative family and had a lot of taboos. But Chrissy was irresistible. She looked so delicious. I had thought about her and masturbated over her until I finally called, and now that I was laying on a bed with her, I was trembling

both with excitement and shame. I wasn't supposed to enjoy women like a man did. I don't care what the media say, everybody is an individual and being with a female for the first time was a big deal to me.

We started first by kissing on the bed still with our clothes on, and feeling each other up that way. Chrissy understood that I was a virgin at being a lesbian and she didn't rush me. The taste of her mouth made me want everything, though, and I ended up being the one getting her undressed. When I saw her vagina only a few inches from my mouth, I was drawn to it like it was a mental and physical magnet.

I began to kiss and lick her and I surprised myself at how uninhibited I got. She played lightly with my hair while I licked all over her pussy lips. I slipped my fingers into her slit and she was very wet; her clit was hot and pink and I loved to feel it under my fingers, playing it like a tiny marble. Chrissy laughed and said to take it easy, she wasn't going anywhere, and soon my face was stuck in her crotch and I didn't even want to come up for air. I couldn't get enough of her clit.

The best was when Chrissy was on her knees and I was licking not only her pussy but her asshole too. The roundness of her ass under my tongue almost made me feel dizzy as I left lines of my saliva there. My fingers were working her as I was breathing in all the wonderful smells of her crotch and her whole perspiring body.

I knew at once I was addicted and this was going to be a big thing in my life. When I saw Chrissy cum underneath my mouth, feeling her body lift up over my face like an ocean wave, I realized that eating pussy was the most wonderful thing I could do, ever.

So that's where I am now. I still see Chrissy from time to time, but she doesn't want an exclusive relationship. I've become a regular at that women's bar, but I'm still in the closet when it comes to the outside world; and I spend a lot of time drinking and trying to figure out how I'm going to tell my straight friends from the bachelorette party that I'm now 100% gay.—Rebecca, Atlanta GA

FUCKING A CUSTOMER IN HER HEAD

Sometimes I look at myself in the mirror and I'm very critical. I think my hands are too small, for one thing. And I wish I had bigger boobs. But there's nothing you can do about hands except put false nails on, which I'm too lazy to do sometimes. As far as my bosom, I don't want a boob job. So I'm thankful that my customers at the strip club tell me they like me exactly the way I am!

As a dancer I've found enough guys to pay

good money for me to give them lapdances.

And they also tip me well onstage just for shaking my booty. I look good and I have a pleasing personality.

Women outside the strip club business ask how I can do a job like lapdancing. I tell them it's mental as well as physical. If you have the right attitude, you can do it.

You see, when I'm with a customer who appeals to me at least a bit, I also go through a little dance inside my head. I imagine that I'm totally naked and that I'm stripping him down too and taking his cock and sitting myself on it. (In reality, at the club where I work, we have to keep our g-strings on, and of course the guys can't take out their dicks.)

I'll close my eyes and, in my head, the scene changes around me. I imagine the neon lights of the club disappearing, that I'm in a brighter, more homey setting, and that my customer and I are really longtime lovers who have just had an unstoppable desire to put whatever else we were doing aside so that we can fuck.

In my fantasy I imagine my customer looking at me with awe and desire as his cock fills my pussy while I move up and down on it.

I imagine reaching one of my hands down to rub my clit, and hearing from my customer, "I love to watch you play with your pussy like that!" I like men who tell me they love to see me do erotic things.

So while my body is in the club rubbing against my customer's erection in his

trousers, my mind is in an entirely different place, where I'm naked and sweaty and I feel the breath of my customer against my tits and feel his tongue as he licks at my nipples and his fingers hold onto my ass.

Even when the fantasy is totally absorbing, I never forget about my customer in reality, and I certainly don't forget to grind my knee against his cock with just the right amount of pressure so that he can nut in his pants if he so desires!

Meanwhile, in my fantasy, instead of the sounds of hip-hop or rock in the club, I'm hearing birds outside in the trees and the wind rustling against the chimes on the porch, and of course I imagine both my moans and my man's groans as I ride his dick faster and harder.

And then, if I'm lucky, I cum—in my fantasy, and in reality too, although the customer is probably saying to himself, "Oh, she's just faking it." But oftentimes I'm not, and then when I open my eyes again, and my mind as well as my body are in the club atmosphere again, I smile and say, "Thank you for the dances!" And I really mean it.—Shannon from Kansas

Dear Editors:

I am an avid porn film fan and keep up with the latest x-rated babes so I enjoyed the interview with Sara Sloane in *Best of Club #304* immensely.

While the pictures on your opening spread were the incredibly hot and beautiful Sara, you mixed in some pix of another star on the last two pages. Who is she? F.C.

Jacksonville, FL

Good catch! We regret that unidentified pictures of Jenny Hendrix were also used in the Sara Sloane interview. Look for more pix of the gorgeous and ultra-sexual Zero Tolerance contract girl Sara Sloane, appearing in an upcoming Best of Club!

These porn star girlfriends have each other's back and other luscious body parts!

By Penny Antine

BREAST FRIENDS

"One loyal friend is worth ten thousand relatives."— Euripides

In history and literature, in all forms of entertainment, buddies of the male gender abound: The Three Musketeers, Oscar and Felix, Butch Cassidy and the Sundance Kid, Laurel and Hardy, Don Quixote and Sancho Panza, Lone Ranger and Tonto, Cheech and Chong, Abbott and Costello...the list goes on. But buddies of the female gender? I can think of only three: Thelma and Louise, Gertrude Stein with Alice B. Toklas, Laverne and Shirley. So it was not at all odd to find only a few within porn, as porn is so often a microcosm of the world beyond.

Porn stars Nikki Benz and Puma Swede have been best friends for over three years. "We met at a sex convention in Toronto," Nikki says. "I was there signing autographs and Puma came up to me..."

Puma interrupts, "I have to stop you for a second. My boyfriend was going on and on about Nikki Benz, Nikki Benz, Nikki Benz...you should shoot content with her. So I'm like, okay, I'm gonna go ask her about it. I was kind of nervous going up to her."

She pauses long enough for Nikki to jump in again. "I was sitting down signing autographs and this tall, beautiful, sexy blonde comes up and says something to me, but she has this Swedish accent and I couldn't understand her so I didn't really know what she wanted."

"I asked her if we could shoot content for our websites," Puma explains, "but Nikki didn't respond so I thought she didn't want anything to do with me. Then about six months later we met on a set and talked about it. That Friday night we went out together. And that was the start of a beautiful friendship."

"We had so much fun that night," Nikki says, "that we figured it had to be continued. And the more we got to know each other, the more we liked each other. We actually have so much in common. Neither of us was American."

Puma Swede, a 5'10 bombshell with an in-your-face bosom of 32F was born and raised in Sweden. The computer nerd turned model turned adult film performer says, "I fucked around so much in Sweden I thought I might as well do the same in America and get paid for it, so I moved here in 2004."

Nikki Benz, the April 2010 Penthouse Pet, was born in the Ukraine, raised in Canada and worked as a stripper in Toronto before transitioning to adult films. "The company I worked for started flying me here to work a lot and it just got to be too much, so I moved here in 2004." At 5'5" with a 34DD cup size, she's a

cool, levelheaded contrast to Swede's bombastic personality.

The dynamic duo is thisclose. Full of laughter and fun, they're known in the industry as Swenz. "We try help each other all the time," Puma says. "If I shoot with some good people, I'll always say, 'Do you know Nikki Benz?' And she does the same with me. And if someone says something about me that's not right, she'll give them the facts. It's good to know somebody's got your back."

Nikki agrees. "If somebody screws me over I'll let her know right away so she won't work for them. Like, one time I was shooting a boy/girl scene and the guy just wasn't functioning very well sexually. He said he just wasn't there mentally that day. He and the director were old friends, so the director said, No problem, and he brought in a crew member to do the scene with me. The crew member was also a part time performer, but...*no problem?! It sucked. And I let Puma know about it right away.*"

Have they ever done a sex scene together in a movie? They both answer at once, their words crashing into their laughter. "In the beginning of our friendship we did a lot of scenes together." "I mean, we can do funny shit but I don't know if I could do hardcore sex with her anymore." "When people hire us for the same movie they know they're gonna have a great time." "Because we make everybody laugh!" "But I think it would be a lot more awkward now because we're such good friends."

Sex off camera is a totally different story. Nikki tells of a night they went out clubbing with friends, had a few drinks and got dropped off at Nikki's building. "My neighbor just happened to get in the elevator the same time as us, and he had a bag from McDonald's. Puma took his bag and started eating his hamburger and fries. And while she was eating I unzipped his pants and said, 'And now we're gonna bang you.'" They scream with laughter. "And we did." More laughter. "Not in the elevator. In his apartment." "And another time we met some guy when we were out partying, and we made him nervous so we both fucked him. He was ecstatic. We made his Christmas *and* Hanukah."

"She is my best friend," Nikki says, "in and out of porn. The fact that we're both in the adult world relieves stress for us because we relate to the same things. I have other friends but they're not performers so they can't relate to some of the things I can talk about with Puma. We don't have to talk about porn. We go out with friends, we go on trips together..."

"Like on Halloween night," Puma recalls, "we were out partying together, I was a nurse and Nikki was Tinkerbell, and it was freezing cold outside so some cops let us sit in their cop car till our car arrived. We've got pictures to prove it."

moment.*

They love to travel, together or apart. "I went to Hawaii to make a movie," Nikki said, "and I was just amazed that I was there having sex on a cliff overlooking the ocean. It was so awesome. I would have done it for free."

Puma agrees. "Yeah, same thing. I got paid to go to Japan for work. It was fun to see the different culture and how sex worked over there. They were so polite! Between whatever you did in sex you had to go shower and clean up, then come back and get into sex again, then you go shower again. It was interesting how their sex was so different. I was doing a scene with this Japanese girl and she was supposed to be dominant. I don't really go for submission, but they're so polite that when she was spanking me it was like she was petting me! So I said, "Give me a strap-on, I'll show you how it's done." The girl agreed, but they gave me a strap-on the size of my thumb! And I'm like...Hello? I couldn't make anyone feel anything with that if I tried! Even in her ear! The girl had her pussy hair clipped and sticking out like a Mohawk, and I'm thinking, I can't go down on that Mohawk. Every time I licked her she kept pulling away, and at the same time, I was rolling on the floor laughing at her mohawk!"

So what's the future plan for these girlfriends? "We're going to take over the world...the adult world." "We're working on a project together, a joint website with content we've already begun shooting." "We're plan to travel a lot." "We want to go to Europe and Asia." "You never know where life's going to take you."

Best friends, unlike breasts, don't always come in pairs. Wicked Pictures is home to a trio of best buds: Kaylani Lei, Kirsten Price and Alektra Blue. Kaylani, petite and pretty as an exotic porcelain doll, signed with Wicked in 2003 after only seven months in the business. A mix of Filipino and Chinese, she was born in Singapore, raised in Massachusetts, and wound up dancing at a strip club in Vegas. There she earned extra money posing nude for various internet content photographers. It was then barely a hop into porn and easy stardom. Outside of making films for Wicked, she hosted her own radio show on KSEX, *Me So Horny With Kaylani Lei*, makes appearances on Playboy TV and was co-star of the Cinemax series *The Erotic Traveler*. For the past seven years she's been best friends with Kirsten Price.

"I met Kaylani before I even got in the business," Kirsten says, "we met through some mutual friends before I was a Wicked girl, and when I became a contract girl it was good to have a friend already in the Wicked family."

Kirsten Price, also raised in Massachusetts, is like the lusty, earthy girl next door, quietly smoldering while serving up coffee spiked with Kahlua, waiting for the right moment to touch your arm or face. She signed with Wicked in 2005, won the reality TV program *My Bare Lady*, played a role in an episode of *Weeds*, performed in a London production of *Romeo & Juliet*, hosted podcasts for rock legends *Poison* and worked for Playboy and Showtime as their red carpet reporter.

Alektra Blue received a phone in call in 2005 that changed her life. Her old friend Taryn Thomas had found her way into porn and urged Alektra, who was bartending in Texas, to hightail it out to California and give it a try. In a matter of days Alektra landed in SoCal and completed her first sex scene. In April of 2008 Alektra was named Penthouse Pet of the Month and signed an exclusive

contract with Wicked. She appears in the music video for the 2010 single "Telephone" by Lady Gaga featuring Beyonce. Sleek as a Jaguar, Alektra possesses a catlike sensuality, cool, alluring, vigilant. She became the third in this triad of best friends.

"We're all very similar," Kirsten explains, "we crack the same kind of jokes, we like the same kind of booze. We all know what we're going to do on a day to day basis and we go to each other for everything. We have very different personalities but they all mesh well together. We're all very supportive of each other."

Kaylani chimes in. "There are definitely days when I'm on the set and it's been a long day, or the guy is having trouble with the sex scene or something; Kirsten and Alektra are on a different set and I'm sitting there texting them back and forth about it. So even if they're not physically with me, they're still there because texting makes it a lot easier for us to connect. We're constantly updating each other about what's happening during a shoot, good or bad."

Do they ever do sex scenes together on camera? Yes. Yes. Yes. Kaylani reveals, "I did a scene with Alektra and we pretty much laughed through the whole thing. It was a girl/girl/boy scene with Rocco Reed. All I remember is we got naked, there was a lot of squirming around and I accidentally licked the side of her entire face thinking it was Rocco's penis."

Alektra laughs, remembering, "We were just not in sync. The director had to shut everything down because we were laughing too hard and being too awkward."

"Which is just the opposite of my sex scenes with Alektra," Kirsten counters, "which are always super hot and sexy."

Kaylani tells a story about another girl/girl/boy scene she did with Alektra: "It was my third scene in a couple of days. I was very tired and my stomach hurt. I was kind of sick and she's a champ. Alektra did all the work and kept the scene going, otherwise it would have sucked."

What about sex with each other off camera? Yes. Yes. And yes. They all talk at once. "There's never anything planned." "One thing just leads to another." "It's a just go with the flow situation." "You happen to be in the right place at the right time, doing the right bumps." "It's getting late." "There's good music." "And it'll be like, I love you." "No, I love you." "We're hanging out in a kitchen and before you know it we're getting naked and we're on top of the counter." "And sometimes there's a very lucky guy who's getting tag teamed by two of us." "On numerous occasions with different studs." "Good times, good times." "But with just us girls it does start off friendly, like you mean so much to me...I love you. I love you back. Then it'll lead into sex." "We do get emotionally loveable with each other."

So what are some of the wild and crazy things these emotionally loveable girls have done in this business?

Kirsten recounts, "I went to a doctor in Beverly Hills and had collagen injected into my G-Spot to see if it would make it tighter. It actually makes your G-Spot bigger. And I got dunked in a massive tank of water for "Supernatural". I was supposed to be floating in an endless sea of water. It was ice cold. That was crazy."

Alektra remembers, "I had an entire light stand fall and smack me right in the nose and I afterwards I still did the scene with Manuel Ferrara. That was pretty wild."

The Wicked threesome believe close friendships in the porn business like theirs are rare. "It's hard to have really close relationships with girls you're competing with," Kirstin explains. "The

25041

three of us are on the same level; but for other girls in the business, they need to compete with each other for work. We're with the same company and we hang out all the time together. We live the same kind of lives. No two of us are the same, we each have our own image, but..."

She falls uncharacteristically silent and Alektra picks up the slack. "We're like family, watching each other's backs."

"When I was going through my divorce," Kirsten continues, "I decided to take a little time off. When I wanted to come back, Kaylani opened up her house to me and my dog until I got on my feet. That really meant a lot to me."

Kaylani laughs, touched by Kirsten's gratitude. "I didn't think it was like some big favor."

Alektra also was recently divorced. "When I left my husband both Kirsten and Kaylani were by my side. They've really been helping me out with all my issues and my drama. It's drawn me closer to them. They were there for me...no one else was."

Kaylani nods toward Kirsten. "If I've had a bad day, if I'm overtired and I'm crying, if my body's hurting, she'll show up at my door with two bottles of wine." Now Kaylani looks over at Alektra. "If I want to go out for some kind of release, she'll be at my house ready to go out to the club."

"In the industry, everybody talks," Kirsten says, "but we really are here to support each other."

The years during which a performer is a top porn star comprise an incredibly intense time in a woman's life. Intense love affairs and friendships can follow. But what happens to porn star friendships over the decades?

Alexandra Silk and Misty Rain, both veterans of the porn industry, became friends 15 years ago when Alexandra first ventured into porn. By then Misty was already a star. Alexandra starred in over 400 X-rated videos, had a running role in the sitcom "Playboy TV's Sex Court," appeared in numerous music videos, TV commercials and mainstream movies. Misty is an Adult Video News Hall of Famer and recipient of 10 AVN awards.

Still beautiful as she ages, with an embracing personality and a deep, lyrical voice, Alexandra Silk sat with me in her kitchen and shared her thoughts on her long friendship with Misty. "She was one of the first girls I met in the industry. Misty took me under her wing, introduced me to people. I met her on a set. She was getting ready to do a scene and invited me to watch. The scene was with her husband, and they've now been together for 25 years or so. I was attracted to her genuine personality. Good, bad or ugly, she will tell the truth, which I appreciate. I loved her sunny spirit; she's happy most of the time. I'm attracted to people who are positive, and she's a happy, positive person."

"Misty gave me a lot of advice along the way, like how to do your taxes. She taught me some tips and tricks, like how to put on your false eyelashes. Never leave home without your eyelashes, she used to say.

"We almost died together. We were doing a porn shoot on a boat off the coast of Catalina. I laugh about it now but it wasn't funny then. It was David Christopher's last Pussyman movie, *Bon Voyage, The Final Voyage*. And the boat sank. It was scary. There were about 14 of us on this boat and David was on the phone with the coast guard shouting 'Mayday! Mayday!' They said if we were to go into the water to interlock our arms, keep together and stay away from the boat. Misty and I

were clinging to each other and there was Nina Hartley up on the top deck, saying in this calm voice, 'Everything's gonna be o-kay.' Her voice gave us all this calm, serene, peaceful feeling. We *did* wind up in the water and thank God the coast guard found us around 11:00 at night." Alexandra laughs ruefully. "Life in the porn world."

Alexandra's friendship with Misty helped prepare her to work with talent she didn't know. "I would always tell Misty who I was working with and she'd say, 'He's okay, he's a good one,' or tell me if he was a problem and how to deal with certain guys. She told me about Randy Spears that if he's getting ready to pop, you tickle his balls and he'll cum right away. And it always worked! She gave me some tips about Jon Dough too. She'd say, 'He can be a little aggressive. He'll pull your hair and manhandle you, so you can tell him ahead of time, 'Hey, don't pull my hair, you'll rip out my extensions,' or whatever. If you talked to him ahead of time, he would listen. So Misty helped me with all of that. And it was a great time to be in the industry."

"One time, this was on a Paul Thomas shoot, the fire inspector came to check to see if we had a permit, and PT didn't so they had to shut us down. The cops came, and there was all this commotion on the set. And of course you have all these pretty girls running around. I think they would bust the sets just to see the girls and what kind of sex was going on. So I started flirting with a police officer. I asked him if I could feel his gun, so I started stroking his gun like I was jacking it off. I told him I'd always wanted to know what a real pat-down feels like and could he give me a demonstration? And he did!"

Alexandra laughs at the memory. "Some of the other girls saw what I was doing and started doing the same thing. By the time we were done the Fire Inspector and the policemen said, 'Oh, it's okay, you can get your permit tomorrow, we won't shut you down.' Turned out to be a good party and they all stuck around and watched the rest of the shoot."

"So many memories, so many good times. I miss it a lot. Alexandra is still doing private movies with her longtime husband, porn director Luc Wylder. Plus she's doing sex surrogacy work. "I love it. I'm working with a 40-year-old virgin male. There's a lot of 40-year-old virgins out there. They seek therapy to learn intimacy skills, and when I tell my clients my background they're fascinated by it. They're so nervous about having sex once and I've had 400 plus experiences of it."

And what about Misty Rain? "She isn't doing any movies."

Alexandra explains. "She's gone back to college, taking math and science so she can work in the forensic field. We see each other every day if we can. She and her husband live a few houses up the street from us. Luc and I try to hook up with them for dinner either at their house or they'll come here. We hang out together. Misty and I went out for Halloween. I was a little devil, she was a hippie chick. We took her two year old daughter as an excuse to go trick or treating. Fifteen years later and all is well in the friendship. I don't know what I would do without her."

Nikki Benz confides in Puma Swede that one day she'll look back on her porn career and perhaps write a book about it. Puma smiles, her eyes brimming with affection for her best friend, "You should do that. You have so much to tell."

And don't they all?

Under the nom-de-porn Raven Touchstone, the author is an Adult Video News Hall of Famer, recipient of 29 Best Screenplay nominations and winner of six such awards. She has written more than 400 produced porn films. A photographer as well as writer, she took the individual porn friends portraits.

It wasn't right, but sure tasted good!
I ENJOYED FORBIDDEN COCK!

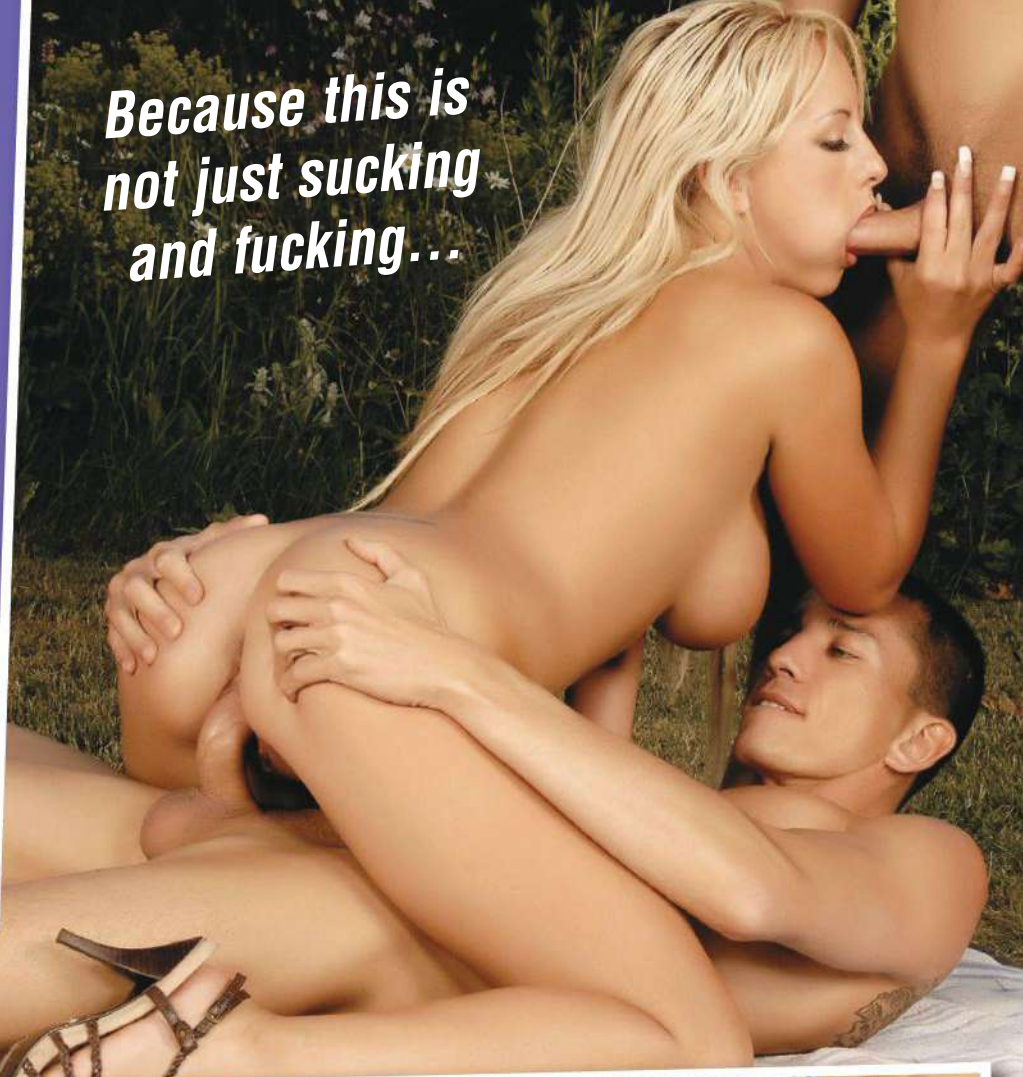

**It took Natalie
awhile to give
in to unusual
desires!**

***Because this is
not just sucking
and fucking...***

I thought about it for a long time. Those two guys coming into the coffee shop where I work, saying how great I looked, how much they wanted to hang out and...well, I finally said, Why not? It was the best! Ever. I'm converted.

We went out for a drive and stopped for lunch. Fun conversation. And then we drove awhile more, in the best mood. I mean these guys looked a little rough around the edges but they were totally cool! When we turned off and went down the road into a clearing, well, I trusted them completely. Their aura was good. So I didn't even wait for them to make the moves. I asked if they had a blanket and to get it out of the trunk. Then I got on my knees. And then...

The hotness of two cocks in my hands was fantastic! Never did that before. And then sucking, going back and forth between them...they tasted slightly different but both were good. They used me just right...just the way I'd imagined two men would, someday, somewhere.

I rode one cock and blew the other. I loved the feeling of my ass being pulled apart so the meat could go deep. I was so slick inside, and felt so sexy sweating like that under the sun and under their hands...

I kept pretending that I was being watched; I didn't tell them about it, though. I just kept thinking, seeing a certain pair of eyes on me, imagining what those eyes would think, watching me take strange dick...dick that was wrong to take...

Then finally it happened, all their mess, over my breasts, dripping down.

I had to wipe it up afterward, of course. The guys would have been suspicious on the ride back. But if they only knew how I wanted to let it stay there, to bring myself home all gooeey like that, so my husband could see. My sweet cuckie, I mean. Because, well, he would have loved it...he wanted me to do what was wrong. Break our vows.

And I can't wait to do it again!

ECSTASY THROUGH CHEATING!

Stealing my best friend's girl gave me the greatest orgasms ever!

By Irv O. Neil

I should have known it was too good to last, or that she was simply giving herself to me from the fullness of her heart. But I was indeed banging Courtney Conouris! Plumbing her mouth, ravishing her ass! Such tightness around my dick, both from her lips and her butt! She exhibited such excellence in servicing not just the needs of my rampaging shaft and yearning balls, but without realizing it... massaging my ego, too.

To make it better and more exciting, all this service was coming from a girl who couldn't help looking unspoiled even if her life depended on it! For a female to still have innocent eyes with a prick stuffed in her mouth is a sight that men have sought since the beginning of recorded sin! I saw it. And I paid for it.

My name is Zachary Loveworth. I am an actor in Hollywood, although trained on the stage in Shakespeare and the classics back East. Yet I am young—only twenty-eight! I started early and thought for sure I would be famous by now. I went out to Los Angeles with my best acting school buddy Jimmy Deltzon, and while he got steady work on different series and films, I got almost nothing.

Acting, as even non-actors know, is a profession weighted with an almost mortal burden of envy between one's colleagues and competitors. While I always believed friendship between men is a sacred thing, when Jimmy won an important miniseries role which I desperately wanted, my loyalty toward him dissolved. I was amazed at the anger I felt. I could have spent money on a shrink to investigate this rage, but

instead, when Jimmy went to Australia for eight months to film his part, I seduced his girlfriend Courtney back in Los Angeles.

Yet that assfuck (and that throat) despite the punishment I took afterward, was worth it! The very best bang and orgasms I ever experienced! Although I ache now, I repent not.

26398

I couldn't understand it. I was a better actor than Jimmy, but I couldn't make headway. Even when it came to women, I had to settle for the ones who hardly met my specifications or dreams. Low self-esteem has nagged me all my life, making me usually settle for what are unceremoniously called "dogs," and Courtney was far more attractive than any female I had ever been with. I suppose I was already envious of Jimmy's success with Courtney too, but it was his snaring that Australia role that finally brought up the full force of jealousy into my conscious mind.

At first Courtney and I met casually to talk about Jimmy, as two people who missed him. But I resolved that with all my thespian techniques (and fortified by a glass of two of my favorite sherry, *amontillado*), I would convince Courtney that we were meant for each other, and that she must give up Jimmy for me!

It was startling how my murderous envy had sharpened my seduction skills and given me the courage to reach higher! Courtney Conouris was a beautiful girl, though not too swift, which is probably why Jimmy (who does have his insecurities too) picked her over smarter chicks. But what made my first time with her all the more exciting was the almost

of how much we missed Jimmy. He was my roommate and good pal, and she was his girlfriend! She was upset too, that he hadn't taken her along to Australia. But this was an irrational complaint, because she was still in college. Jimmy liked them young. We're talking first year college! Jimmy liked them fresh. But why not? Men since the beginning of time have liked them fresh.

By being patient (helped in this by many glasses of *amontillado*), I first won Courtney's confidence, and then her desire. She was having trouble studying because she missed Jimmy. He wasn't famous yet, but he might be after he finished this role,

and then she would lose him! So she feared...so I helped her to fear! I convinced her a strapping twenty-seven year old like Jimmy Deltzon would seek women Down Under when he

hallucinogenic high I got from plundering Courtney, aka Jimmy's Woman—Jimmy, whose only sin was to have gotten a plum role that I wanted with all the unfulfilled bitter longings in my creative heart!

Jimmy had warned me that my acting, and my personality, were too over-the-top, too stagey. "Stop playing Hamlet all the time, Zack! You'll start getting work and incidentally you'll get better babes too."

But he was wrong. I didn't have to stop being my melodramatic self. All I had to do to feel better was fuck his woman! Because with every plunge of my dick into Courtney's pussy or across her tongue, I felt strangely bolder and more successful than I ever had before. As I squirted my first load on Courtney, I realized it had taken the best sex of my life to finally understand my true destiny was not to be a great actor, but a great villain—the heartless thief of my best friend's girl!

From birth, I had been instructed by my elders to treat people with respect. To be a "good boy." But where had it gotten me? I would not have gotten Courtney into bed with such an attitude. Yes, the best sex of my life came directly as a result of breaking my personal moral code.

At first we met for dinner, or a cup of coffee, complaining together

needed to fulfill his urges. That was my master stroke!

It wasn't because he still didn't love her, I explained, but because a man's balls could make him irrational with need! Yes, she knew of his lusty needs. She confessed, partly out of loneliness, or so I thought, how much she missed the feeling of his dick in her hand, or the way he crammed it in her mouth, or the way he would put it in her ass. He was her first anal lover, she revealed.

Yes, this sweet young girl shared with me erotic confessions about my friend, in a strangely innocent way—because she trusted me, trusted my loyalty to Jimmy! I was befuddled and beguiled, even as I was still cleverly trying to act the role of seducer. I told her I had read in a book once that to remember pleasurable things is good for the digestion and prevents serious disease. I held her hands and told her to pour out every detail that had made her happy, so that she could relive it, and the time until Jimmy returned would pass more quickly. I told her she had to achieve emotional equilibrium to keep on top of her college studies. "You have a life too, Courtney! You don't want to throw away your own plans for some actor! And I tell you this as an actor myself. We are wedded to our work!"

So following my advice to remember the happy moments, she described how he put himself in her ass for the first time, and how it felt like his dick was as big as an arm, not a normal cock...and how he blew his load all over her "tush" (she kept using that word) without meaning to, when he took himself out for a breather. "I turned around and saw all that cream on my tush!" she said, "and I scooped it up and ate it!"

I looked into Courtney's eyes and replied, "That must have been love! And in Jimmy's absence, do you have dreams about cocks as big as arms, Courtney?" We both started getting crazy talking this way, and then I knew the moment had come for her to give herself to me and forget Jimmy. Let him enjoy his role on that cable miniseries, while I enjoyed his Courtney.

It was an odd relationship. She had been telling me about fucking Jimmy and then suddenly she didn't want to anymore. But she didn't want me to go away either; she kept me around. Jimmy stopped being a topic. She said she just needed my friendship, period.

her blue eyes now meant for me! Bad Jimmy was down in the land of kangaroos and I was in the arms of Courtney Conouris! Everything else was forgotten as she gave herself to me. Her cute little smile, her angelic eyes, accommodating MY dick! I too was large. Would she think it as big as an arm? No matter, it had a quality that Jimmy's did not have: that of the plunderer!

Oh how pretty her teeth were as she nibbled on my tip so lightly, her eyes grinning, and then took me down with all the narrow-eyed seriousness of a studious, bookish college girl (the type which she wasn't)! If this was the reward of villainy, no wonder so many were villains! I stood over her and she sucked me until I couldn't hold back and

I helped her with her homework. I had a lot of free time between fruitless auditions. I didn't have to work because I was living off an inheritance that wouldn't run out for maybe a year. So I still had time to fulfill my thespian ambitions if I decided being a real-life villain wouldn't be enough.

And then, finally, it happened.

With skill amounting to a career performance (or so I thought), I led Courtney through to the climax of the drama I had planned. Zachary, the faithful friend of Jimmy, the consoler of the lonely Courtney, became her new, desired man! One afternoon when I was visiting her dorm room, it just happened. We melted into each other's arms. She smiled,

splattered cum on her face. Oh, it was so wonderful painting her like that! But it was only the beginning.

She didn't even mention a word about Jimmy! I was convinced he was gone from her mind! We lay down on the bed in the soft afternoon light and kissed. "You shouldn't love me," she said, "I'm bad, I'm untrustworthy." She gasped more of her self-criticism into my mouth as our tongues mingled. No more untrustworthy than me, I thought (without saying it) because I was proud of my unconscionable theft of Jimmy's girl. I had never felt so free and so excited with a woman before. It was almost frightening. I was getting in touch with my inner

Attila the Hun! My irrational envy of Jimmy Deltzon had turned me into a destroyer and a better lover for it.

"You're going to think I'm crazy," she said, "but...you can have my ass before my pussy. My ass has been aching to be done again. That's why I was telling you all that stuff...to make you ache, too, Zack! My life changed when my ass was fucked. Now it needs cock—Jimmy or no Jimmy!" Oh well, I guess Jimmy had to be mentioned at least once or twice.

How could I tell her I had never fucked an ass before? It was true! I decided to conceal this lack of experience, because I was ashamed of it in her eighteen year old presence. I had ten years on her, and I had never been in a butt! I didn't want her to laugh at me. I didn't want to go back to the dogs I had fucked before. I wanted Courtney's pussy but would certainly take her ass as offered, with a bravado and confidence I would act as if I possessed.

Thespian training is helpful away from the stage, too.

Is she torturing me? I thought. Because the smooth shaven mound of her cunt, illuminated by a warm light coming in through the thin curtains of her dorm room, was so magnetic, so charismatic, so inviting, that I throbbed to kiss and finger and fuck it. And she let me play with it as she sucked me some more, but I wasn't allowed to put my dick inside. But there was time, I told myself. The conquest of Courtney was only beginning.

One day I would fuck that cunny, that peach would be mine. I would press my mouth to it and then slip in my tongue and she would moan that she needed more, that only my dick would do and then...

She kept sucking me and then she told me to put it in her ass. For a seducer, I was getting a lot of orders, but that was okay. The empire had been won. The old king was vanquished (Jimmy, she hardly knew ye). I couldn't believe how hard I was from acting like such a disloyal bastard. I felt the tightness as I fit the head of my meat into her asshole, and then I felt the tug and resistance on my shaft as I slowly plowed into her bottom, which wasn't dry but wasn't slick either. She had been playing with it, spitting on her fingers and lubing it with her saliva as she blew me.

I looked down at my cock moving ever deeper in her ass. "Ohmigod, my tush! Ohmigod!" she cried, pulling up her thighs, and damn if her face didn't look like it belonged on somebody else's body, like somebody still involved in the less lusty pursuits of life, like a girl reacting to

her first ride on a rollercoaster, perhaps. She looked innocent of ass-fucking and cocksucking, and it made me even crazier with lust.

"Oh, not yet, not yet!" I cried, suddenly feeling all control being lost.

"That's okay, let me see it! Don't worry, we can do it again!"

"I don't wanna cum again yet—"

"But I want you to!"

"I wanna last!"

"Cum for me now and you can cum for me later!"

"Can I?"

"Yes you big silly Zack! But up here!" And she pointed to her mouth.

I pulled out just as the load began to blow. I frosted her face like a fiend. And only now on the contact of my splattering blobs was the innocence falling away from her face, like a veil torn off an old-fashioned woman's hat. Now I saw the hungry tongue, the dangerous gleam of the teeth, and the greedy way her lips pulled back so she could offer a hole for my gizzum. She turned herself into a cum-hole, yes. Well, nobody could look innocent forever, although she came the closest.

She was showing me her gaping sphincter, saying "My asshole made you cum like that!" when suddenly the door of her room flew open and Jimmy was there. He dropped his suitcases and started yelling. He's a very strong guy. I don't remember much of what came next, except that it hurt.

Well, I'm writing this in my new apartment now, since Jimmy has kicked me out of the one we shared. I have a glass of amontillado close at hand to soothe the pain. Apparently I wasn't the great seducer that I thought. Courtney had planned it all. She knew Jimmy was coming back for a short visit on that particular day, a brief furlough from the movie location. She'd known it for quite awhile. She wanted to make him jealous enough to take her along when he went back to Australia. She didn't give a rat's fuck about college. Or about me.

My black eyes, my broken ribs, my swollen jaw—they all throb, but at least I've learned an important lesson: not to be afraid of limitations. The best cums of my life were on the face of my best friend's girl. Yes, I had to become a douchebag for the finest sex of my life! And despite my injuries, I have a feeling my days as a nice guy are over.

Maybe now I'll get further in my acting career, too?

I MELTED INTO MONICA!

I wanted Monica to kiss me
for the longest time...

The best sex I ever had started when Monica kissed me. Monica with her dark hair and piercing eyes and boyish body. I think I had a crush on her ever since we first met at a party. At first we just hung out and did things together. She sensed I wasn't ready to go beyond the "just friends" stage, but then one day we were at another party at the same place where we'd met (the estate of a very rich friend) and we went off together and I guess the moment was right. Monica reached over and kissed me and I didn't resist. Before I knew it, my blouse was pulled down and so were my pants; then Monica was everywhere. I never felt anything so good, like the way she latched onto my nipples so firmly.

Soon we got our clothes off and there I was with Monica's tongue in me and her fingers filling me, too. I surprised myself by becoming as aggressive as she was, doing everything to her that she did to me...although I have to say she did things first. Like she penetrated me with a dildo that she had in her purse and I was almost fainting from how hot it made me.

The way she pulled my leg up so she could screw me with the toy felt so sexy I just let my body melt into her arms like wax dripping off a candle. But later I took the toy and gave as good as I got and kissed her the whole time, too. Oh, she had a lovely face underneath me. I love kissing her soft flushed cheeks. She was great too, because she wasn't into being bossy but could lay back and take as well as give.

We've done it more since but I'll never forget that first time. I fell in love with her because of what she brought out of me. I couldn't stop looking at her while she made cum again and again and again...and I can't stop looking at her now!

*Finally feeling her hands
and mouth everywhere
made me melt!*

*But I gave as
good as Monica
did, and she
melted in my
arms, too!*

STARRING: Ann Marie Rios, Natasha Nice, Reena Sky
DIRECTED BY: Lee Roy Myers
AVAILABLE FROM: New Sensations

RUNNING TIME: 110 Minutes
HEAT INDEX: XXXX

Many hardcore pervs might shudder at the idea of New Sensations's "Romance" series, which substitutes seduction and more vanilla sex for the tumultuous bangings that make up the lion's share of mainstream porn productions. But doubters should take a look at this ultra hot porn viewing experience with mucho stroke-able footage.

"The Engagement Party" is the latest release from the Romance series. The flick peppers a chick flick storyline with four long—and highly arousing—couples themed fuck/suck scenes. The right combination of gorgeous screen whores is the main ingredient in the success of any porno, and director Lee Roy Myers insures his project is a hit by putting Latina babe, Ann Marie Rios, in the lead role. She's the moose dong recipient in two of the screwings.

Reena Sky might not be a huge name in the business (yet) but her pin-up diva beauty, and her knack for stirring heat in the viewers' ball bags, makes her an excellent addition to the female cast.

Natasha Nice and her lovely, natural lady lumps is the black sheep of the cast, and her scene is the closest this movie comes to shedding the romance motif and crossing over into gonzo. Still, Natasha doesn't stray too far from the script, and even shows a smidge of vulnerability as the cum is splattered onto her raised ass cheeks. "The Engagement Party" offers an inside look into the dirty side of love making.

THE ENGAGEMENT PARTY

JESSE JANE: DIRTY MOVIES

STARRING: Jesse Jane, Cindy Hope, Krissy Lynn, Brandy Blair
DIRECTED BY: Robby D.
AVAILABLE FROM: Digital Playground
RUNNING TIME: 100 Minutes
HEAT INDEX: XXXX

Jesse Jane's pussy needs satisfaction and her dude is only too eager to pump her pouch raw. He concludes the banging by dropping his goop on her tongue. The thing Jesse isn't supposed to know is that the sex is being shot on a hidden camera. What Jesse's boyfriend and his friends have going on is that they get together and show-off their sex videos to one another.

The other guy's chicks—Cindy, Brandy and Krissy—are willing participants in having their sexual exploits captured on camera. Their girl-on-dick flings are all top-shelf porn scenes. The sex scenes run almost non-stop...save for short book-end bumpers of dialogue between the guys reacting to the heat on screen. The non-sex scenes are short enough so they don't break momentum of the porn content, yet long enough to allow you to wipe up your mess and be ready to get back to jerking off to the next scene.

Spoiler Alert! In the end, we learn that Jesse was hip to her boyfriend's camera shenanigans all along. In the final scene, she gets her revenge by taping her own fuck scene with a male friend, making sure that her boyfriend and his buddies see every hip thrust of cock that is perpetrated upon Jesse's lovely mouth and crack.—William Demerol

Lesbo Lips and Clits Go...

LICKETY SPLIT!

Tiffany wasn't terrified of doing her first girl on girl shoot but she was plenty nervous. What if she didn't *like* having another girl's hands and lips roaming and pressing over her tight young body? More worrying still...what if she *did*?

She was glad to be paired with porn veteran Lux Cassidey who put her immediately at ease and was friendly without seeming overly amorous. Nothing worse than a lecherous lesbo, Tiffany thought. She had only told one person about the girl-girl modeling assignment—her grandma. Tiff's Gram, a former hippie, wasn't as uptight as her Mom. "Just go with the flow," Gram had advised her, then remembered a saying from her long ago flower child days. "If it feels good...do it!"

As Lux took the lead, Tiffany remembered Gram's advice. She opened her mouth for Lux's soft, probing tongue and gave in to the rhythm of it. She then parted her legs so that another girl's hands could explore the complex seat of sensation centered within...wet, warm and readily stimulated. It seemed so natural, Tiffany wondered why she'd been so hesitant about it!

She loved the way Lux ate her pussy—spreading the labia wide before sucking on her rigid clit. It wasn't the way guys had done it to her but it was the way she'd do it to another girl. Tiffany thought then that perhaps there is something to be said about a girl better understanding another girl's sexuality. And then, no actual thoughts entered her head as it was orgasm after orgasm with oral sex and then toys.

Afterward Tiffany thought of her lesbian sex session as a milestone, it was her first. She'd loved it, but not enough to call herself a card carrying bisexual. Tiffany just considered it the best Sapphic sex she'd ever had!

GETTING WET WITH RILEY STEELE

*The X-Rated Star
And Beach Babe Has
Mainstream Appeal
In 'Piranha 3-D'!*

By Tony Sprackle

27915

LOS ANGELES—Riley Steele is on a career path that is among the rarest of the rare in the adult industry today. This stunningly beautiful San Diego native broke into the adult industry during the spring of 2008, introduced by Digital Playground as the company's newest contract girl. Their discovery proved to be special. Because two-and-a-half years and twenty-something movies later, Miss Steele remains with the company that found her, and she has become one of the most popular porn stars on the planet!

Steele really knows how to make an entrance. The first movie ever released with her in it was *Pirates II: Stagnetti's Revenge*, which hit store shelves in September of 2008 and has gone on to set sales records and win dozens of industry awards. Talk about getting your career on the fast track.

"I feel privileged," Steele says. "My first scene was in *Pirates II* and I just feel really lucky. I'm so blessed to have Digital Playground behind me and for everything's that's come to me. I feel very, very, lucky."

Since her smashing debut, Steele has enjoyed nearly two dozen box covers and some of the best promotion in porn, raising her profile tenfold. This past year undoubtedly lifted her star to new heights as Steele landed her first role in a mainstream feature film, *Piranha 3-D*.

Steele's nude, so-called "underwater ballet" scene with Kelly Brook generated headlines and excitement all over the country as one of the sexiest R-rated scenes of the year. Her red-hot silver-screen debut placed her in instant mainstream demand. Steele was interviewed by E! for a TV special on adult stars with mainstream crossover appeal. She also was a guest on KROQ 106.7 FM, the

27915

biggest rock station in Los Angeles. That same week, Steele became the No. 1 searched porn star on IMDb. Then later in the year, Steele landed a *Hustler* cover for the first time. "Oh my God, this is so exciting!" she said, hearing the news of her December 2010 cover that hit the streets last September. "I've always dreamed of being on the cover of *Hustler*...and it came true."

But Steele's year got even better. In November, the former Starbucks barista hosted a two-hour special about the Sexpo convention in South Africa on G4TV. Steele was joined by her fellow Digital Playground contract star Kayden Kross as they showed viewers the latest in adult novelties and the hottest booth babes while also talking to Sexpo attendees from around the world. "Riley Steele's talent, boisterous personality and unprecedented knowledge of the adult film industry made her the perfect choice to host G4's Sexpo South Africa special this year," said John Rieber, senior vice president at G4.

Steele's national profile stands to increase even more in 2011. The busy starlet will return to national cable television as the co-host of the 2011 AVN Awards Show, which will take place on Jan. 8, 2011 in Las Vegas and is slated to begin airing on Showtime in April.

In this exclusive *Best of Club* interview, Steele talks about romantic evenings, Megan Fox and old school music, among other revelations.

27853

Did you watch yourself in "Sexpo" special on G4TV?

I did, I watched it. I was really happy with it. It was a great experience, everything came together.

Was the finished product what you expected, or were there things on the show that maybe you don't even remember doing?

I was kind of bummed because at one point I held a baby lion. I was standing in the water on this safari and I held it and it almost clawed my face off! I guess the lion was too wild because the footage didn't make it.

Wow, really! Where were you when you held the lion?

In Johannesburg. I was in this watering hole. I knew there were snakes in there and whatever. I kept telling myself I'll never get to do this again. I also stood in front of some lions while they were eating. I thought, 'When else are you ever going to have a chance to do this?' And I wanted to drive the safari truck!

27364

How often do you get recognized when you're out in public?

I actually don't. I really don't. Sometimes someone will come up to me and will ask if I have ever done anything on film and I always tell them no. I haven't had anybody come up to me and say 'You're Riley Steele!' Maybe it's because of Photoshop. [laughs]

What is your role in the movie *Bar Pussy*?

I'm just a slut. [laughs]. I played some bartender's wife and Scott Nails was working at the bar and he was best friends with James Deen. And I was just using them for sex and free drinks. I did Scott and James in both scenes.

How do you like performing with Scott Nails and James Deen? I know it wasn't your first time with them.

I love working with them. I love doing two boys at the same time. I'm about to do a scene with Scott and Erik Everhard really soon.

70 BEST OF CLUB

Did you pick those guys?

No! I never even imagined putting them together, but oh my God, it's going to be so good! Erik, he's my favorite!

What movie is that for?

We have a new series, it's episodic. It's called *Masseuse*. I play James' girlfriend in this and Erik Everhard is his best friend.

What is your recent movie *Roommates* about?

It's basically voyeurism. All my roommates keep spying on me. Scott plants a camera on me in my room. It's funny. One of my friends did that to me in real life, put a camera in my bathroom while I took a shower! It was my best friend's boyfriend. I just thought it was funny and I felt bad for my friend.

What has been the feedback from the fans about your big movie *Body Heat*?

Everyone loves it. We've done signings in South Africa and Berlin now and we told everyone to go get this movie. So many of them did and they would come back the next day and tell us it's the best the movie they've seen.

How important is chemistry in sex scenes?

I think it's so important. It's vital to having a really good scene. I feel my chemistry with Jesse Jane is great, we're best friends. And my chemistry with Erik is more animalistic and aggressive.

If you had to get a job outside of adult entertainment what would it be?

I think I would work at the country club snack bar. I used to have this job before porn. There are no cameras so I could use my vibrator and have sex plus make a lot in tip money from the golfers.

What are some previous jobs you had before you got into porn?

Subway was my first, then the snack bar, then Starbucks, then a brief job at a pizza place while also working at Starbucks.

How did you spend your first porn paycheck?

I want shopping! Went down to fashion valley in San Diego and blew almost all of it!

How did you spend your most recent porn paycheck?

I save my money now. My paychecks are a lot bigger with all the extra projects I work on. I want homes and cars. So I need to be smart with my money.

A manly man. A man that can fix his own car, because I know he's going to have to fix mine one day! I'm most attracted to a man's hands and arms. But personality rules all.

What is your idea of a romantic evening?

A good Mexican drive-through like Santanas, and then a night at the beach during red tides.

What has been your most memorable moment in porn so far?

Dancing for Kid Rock [in January 2010 in Las Vegas] was a life turning point for me. All those people! Also, him putting my name on his newest CD was a trip for me.

What is a memorable moment you had before porn?

Stealing my dad's car and running away to LA. He grounded me for life for that. [laughs]

What is something you can't live without?

What are your hobbies?

I'm a beach girl, so going and watching the sunset, going to the pier, bonfires, shopping, cooking, going to the spa.

Have you ever had sex with a famous person?

I don't kiss and tell.

Which celebrity would you like to have sex with?

Eminem.

What is your favorite mainstream movie and why?

I love any Disney Pixar movies. *Gia* and *Girl Interrupted*, too.

What is your favorite adult movie?

I love all the *Island Fevers* for Digital Playground.

What are your favorite bands?

I love old school — Metallica, Korn, Godsmack and Eminem.

Who is your favorite mainstream actor/actress?

Brittany Murphy. And Megan Fox because I like lookin' at her.

What are three things that are always in your refrigerator at home?

Sorbet. Leftover Chinese and the brown rice.

What is your cocktail of choice?

Don Julio straight up, baby!

What was the last adult movie in which you performed?

The last movie I did went great and ended with an awesome boy/boy/girl.

Which of your movie roles for Digital Playground stands out the most in your career, and why?

I love *Fly Girls* because that character is just so me! I love it!

Have you ever had sex in a public place, and if so, where?

Oh yeah. STK. Nobu. Myhouse. Umm, should I keep going?

What traits do you like in a guy that you're attracted to?

Frozen yogurts, my kitties and my family and friends.

What are you thankful for?

Everything. I'm just so happy with my whole life — work and personal. I couldn't be happier!

What is a place you'd like to visit that you have never been to before and why?

Egypt! I'm fascinated by the history and all the magic.

What is something you wish more people knew about you?

I've been told I can be quite the crack in the pants, and very much like a dude. [laughs]

What are your plans for the future?

I have so many...but they all are secrets! [winks]

A wonderful experience Cherry will never forget!

THE DAY I BECAME A SLUT FOR CARL!

25446

*A tongue in her
ass brings out the
slut in Cherry!*

25446

The best sex I ever had started when Carl licked my ass. I guess I didn't expect it, and I certainly wouldn't have asked for it, especially from a guy like Carl who gave me no hint that he would go there, and so quickly. He didn't seem like a freak, not that licking somebody's asshole is so crazy, but it's not the common thing when you don't know somebody well.

We were dating like only four weeks, had slept together twice, and I invited him over to my apartment for Sunday brunch and figured we would fool around...and we sure did! He licked my behind from top to bottom, rooting around his tongue in the hole, and then the floodgates opened for me. I went, like, crazy myself.

I don't think I ever sucked cock so slutty before, or made so much noise, especially when Carl was fucking me from behind. I think the slut inside me was coming out, even using the word "dick," saying "I need your dick, keep this dick in me, please don't let me be without this dick," and Carl didn't let me be without it for even a single minute that afternoon. I couldn't believe my own voice, asking him if I was a good slut or how I could be better.

I felt like my whole body was being fucked, like he was inhabiting me with his entire body, not just his cock. And then when he finally came, well the sight of all his stuff blowing out of his cock...I never thought I would get all messy like that. And I couldn't stop licking the hot wet tip of his thing. Wonderful. And it makes me wonder if "slut" is the right word to apply to something that was so great and beautiful. I guess we're not taught that having a cock in your mouth is the sign of a lady, but what lady doesn't really want cock?

**She never heard
herself moan so
loud!**

A close-up photograph of a woman with long blonde hair lying down, her eyes closed and mouth slightly open. A man is positioned behind her, his face partially visible as he leans in. His hand is resting on her bare shoulder. The scene is intimate and sensual, set against a background of green foliage.

*She was proud of the mess
she got him to make all
over her boobs!*

It was the best sex old Mr. Loftus never had!

THE GREAT ICE CREAM PUSSY PARTY!

*First our girls attend
to their entree:
steaming pussy!*

You've seen Sandy, Sophie, and Bridgette before. These famous adult models, stars of movies, mags, and Internet, had a most interesting encounter on location for this shoot!

The photos were done in a beautiful hotel room at a tropical resort, and next door was an eighty-six year old man. Old Mr. Loftus had lost his beloved wife recently, and to cure his understandable gloom, his physician ordered him to take a change of scene in the islands. Mr. Loftus was still pretty spry, and when he saw Sandy, Sophie, and Bridgette going into the hotel room with the photographer and all the equipment, he made a comment about how he felt forty years younger just looking at them.

"Well, you cute little man," the girls said, almost in unison, "we're sure the shutter-bug won't mind if you sit off to the side and watch us do our job!"

"Wow, that's *better* than what my doctor ordered!" said Mr. Loftus, hurrying into their room.

The next day we saw Mr. Loftus in the lobby of the hotel and asked him about his adventure. "Sonny boy, it was the best sex I never had! You could not believe what those girls were doing. Listen, I grew to manhood with the likes of Betty Grable, Lana Turner, and Ava Gardner, but they sure as hell never put on a show like Sophie, Sandy, and Bridgette! They even let me take out my willie to show that I appreciated their beauty and poise. They sure seemed to be enjoying themselves. I was too, even though I was just tuggin' my willie!"

We asked Mr. Loftus if he came.

"Did I! What put me over the moon was that ice cream cone. I knew a Victory Girl back in '44 who let me eat ice cream off her cooch in a room at the Hotel Astor in Times Square! Just to boost my soldier boy morale! So seeing ice cream and vaginas together again made the lead shoot out of my pencil! Damn, I was happier than a pig in a poke."

Yep. Best sex he never had!

**Then they finish
side dishes of clit
and asshole!**

Now it's time for the treat!
Ice cream can't be beat!

Nobody makes a chump out of Robbie!
FUCKING HIS WAY TO REVENGE!

**"My wife's bad
behavior convinced
me to throw aside
my morals!"**

**"If adultery was
good for my wife,
it was
better for me!"**

The best sex I ever had happened when I gave up being a nice guy. See, I was married to a woman, faithful, and then I discovered she was stepping out on me. Did I yell, throw things around? No, I'm the quiet type. I just started fucking every other woman I could get my hands on.

Fucking well is sweet revenge!

Hot divorcee Nora was my first vengeance fuck. I'm a roofer, and I met her when I was at her house cleaning her gutters. Now that I didn't give a fuck about being Mr. Faithful, I threw off charisma. When I was younger, I thought my tattoos would get me laid a lot, but that didn't really happen. But deciding to put my whore wife in her place by practicing the same infidelity she'd pulled on me now gave me a certain new attractiveness, and Nora was the first to pick up on it.

It was almost like she couldn't wait to suck my dick. She started blowing me in the backyard. I think she was an exhibitionist because the neighbors could have seen. Finally I persuaded her to go inside. I was ready to cheat, but not in front of the whole world.

It got me really stiff the way Nora's nipples hardened under her shirt, and I was almost sorry to see her take her clothes off. Well, I adjusted as soon as I saw her nude and put my cock in her pussy. It was the first time I'd had my dick in another woman since getting married five years earlier, and you know something? It felt incredible. Made me think that maybe the human beast is not meant to be faithful to one person in the first place. Maybe my wife knew something I didn't, and put it into practice first.

She's still a whore, though. And maybe I'm a dirtbag for what I'm doing.

Anyway, Nora was a hot fuck no matter what position she was in, and believe me, I put her in all of them! Best damn sex I ever had!

***"Sometimes I feel like
a dirtbag for cheating,
but my cock is
happier!"***

Blue Angel celebrates with Brandy **MY FIRST DAY AS A PORN STAR!**

I'm Blue Angel, and on my way to becoming a porn star! I'm blonde, I'm hot, and I have a mentor named Brandy who's been in the business awhile and she's showing me the ropes. Going to bed with Brandy after finishing my first on-camera scene was absolutely the best! I might find out that I'm into girls as much as guys.

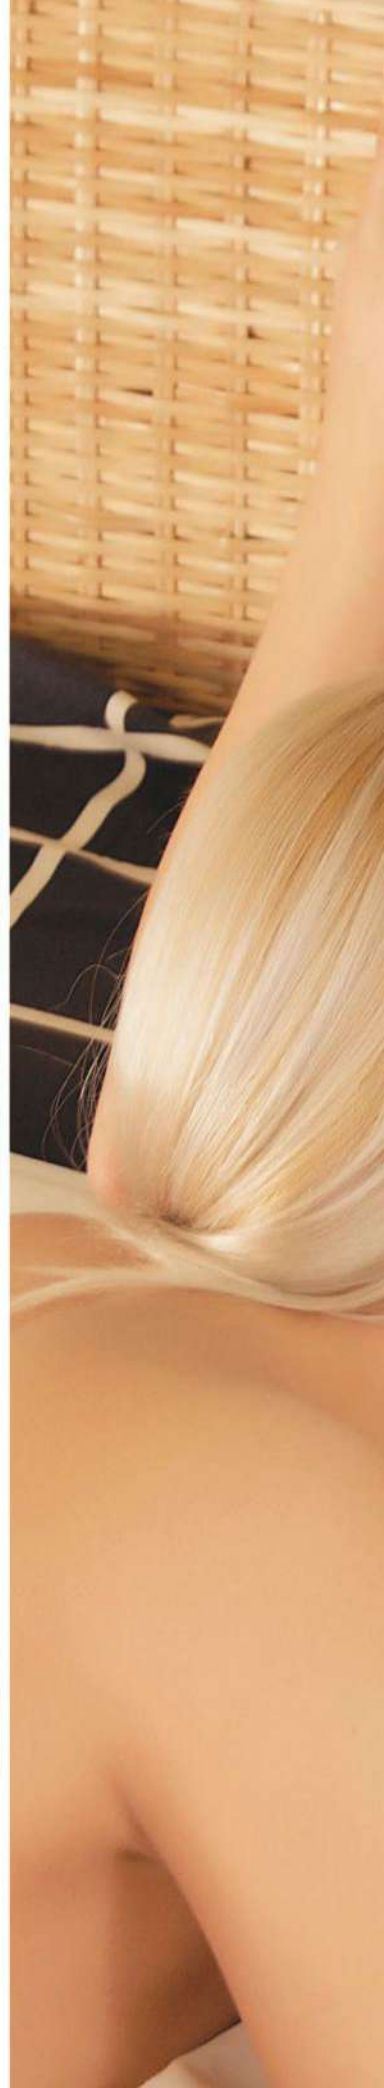

Brandy worked in the same movie I did. She had a threesome with two ripped studs. I was waiting to do my bit while she did hers, and it got me so hot to watch her!

Brandy observed while I did my first scene. I gave a guy a handjob and then we fucked. I was nervous but I think I did well. Afterward Brandy gave me a big hug and we went to a hamburger place and celebrated that I broke my porno cherry!

But the best was when we got to her place. I don't know what came over me, but I wanted her more than anything! I liked the guy I fucked back on the location but Brandy made me crazy! Tasted so good, I couldn't stop licking, and when she told me she had a toy that I could use, well, I couldn't stop cramming it inside her.

She did me, too. Licked me really good! I think the whole idea of being with Brandy was jacked up by the idea that this was my real introduction to the porn star life! Not only did I finish a scene and make money, but now I was hanging with a big porn star and eating and fucking her pussy!

I came like crazy and it was the best ever, I swear! Brandy and I are working together again on a movie later in the week. We're going to be in a foursome with two guys. I wonder if the sex we'll have after that when we come home will top what we had together after my first scene? Maybe the porn star life will just keep getting better! I hope so!

For blonde Blue
Angel, the best part
of being in the adult
biz happens away
from the studio!

**Eating Brandy's pussy
was the best
sexperience ever!**

TRANSFORMING HERSELF FOR SEX!

Sunday morning. As my beautiful Aaron relaxed, I vacuumed some crumbs we had dropped when eating breakfast in bed. Aaron enjoys watching me do chores. Turns him on. I like it, too, although I used to hate housework. But I've transformed myself for Aaron and it's led to the best sex in my life.

Aaron saw something in me, and while I resisted at first, his handsome face, great body, and magical cock convinced me to finally take his suggestions. He saw the beautiful girl under the plain jane he met one day in the park, so he took me to a salon to learn how to make up my face properly. Then to Victoria's Secret to get lingerie. He told me I would be the ultimate in sexiness for him if I would get my nipples pierced. At first I shook my head, but then I thought...what if he is right?

Maybe piercing's not right for every girl, but it turned out right for me.

Getting my nipples pierced was not fun, but with Aaron at my side holding my hand, it turned out to be a magical thing. Because when my nipples healed and I felt him tugging on my rings, I felt like a slave girl to him, and that excited me in a way I never experienced before. Sometimes I like to say: "I will obey you, master."

I *do* obey him.

The first time we had sex when I was beautifully made up, perfectly pierced and in lovely lingerie and stockings, I felt a kind of wholeness I'd never known before. I felt as much like a doll as I did a woman, and that was good. Why can't a female be both?

Aaron was not just an exciting lover, but stirred me with his ideas. I had never allowed a man to spurt spunk on me, but with Aaron it was magical. No other word comes to close to describing the best sex I ever had, which I have over and over again in the arms of Aaron, my handsome master!

"Through submission to a beautiful man, I've had marvelous orgasms!"

*"I never thought my erotic
life would turn out so
glamorous and magical!"*
